### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Alice Choi on November 21, 2006.

The application has been amended as follows:

IN THE CLAIMS:

**Claims 4, 21, 23-25, and 31** have been cancelled.

2. The following is an examiner's statement of reasons for allowance: The prior art made of record of record does not teach or fairly suggest a delivery device wherein the actuator member moves in a substantially radial direction relative to the axis of rotation of the magazine and actuates the metering member in said substantially radial direction, characterized in that the metering member is held in the rotatable magazine when acted upon by said actuator member and is ejected in said substantially radial direction into the material delivery passage when moved to the material dispensing position.

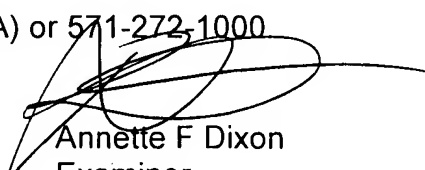

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
